Universal Protection Service Acquires D.N. Security Services, Inc.

Universal Protection Service Increases Their Security Force in Northern California

SANTA ANA, California (December 11, 2009) - Universal Protection Service, a division of Universal Services of America and one of the largest providers of security services in the U.S., is excited to announce that they have acquired D.N. Security Services, Inc. in California. With their outstanding reputation in the security guard industry, D.N. Security Services, Inc. employs close to 300 security officers throughout Northern California and has been providing security guard services since 1986.

“We are very excited to close this acquisition and to bring over the employees and clients of DN Security Services to Universal Protection Service,” said Steve Jones, Co-CEO and Chief Operating Officer of Universal Services of America. “It is not often you find a great company that is respected by all of its clients and employees. David and Mark Nagle have built an outstanding organization and we look forward to working with them and their team.”

“We’re very happy to have aligned ourselves with Universal, a company we’ve respected for years,” said Mark Nagle, Vice President of D.N. Security Services, Inc. “We know that this will be a multifaceted and positive experience for our many clients and security professionals. This truly is a wonderful fit that will provide many long term benefits.”

With this acquisition, Universal Protection Service will now have over 2,000 security professionals in Northern California, and be able to provide their clients with full coverage throughout the entire region. Universal Protection Service is the seventh largest security company in the U.S. and currently employs over 8,000 security professionals. Universal Protection Service is a division of Universal Services of America, which includes Universal Building Maintenance, Universal Protection Security Systems and Universal Fire/Life Safety Services. As they move ahead with their recent expansion, Universal looks forward to continuing to provide their clients with the best security solutions, personalized customer service and unmatched value available.
