## **Universal Building Maintenance Acquires Service Link Commercial, LLC** Universal Building Maintenance Increases Their Janitorial Force in Arizona

**SANTA ANA, California (Nov. 15, 2010)** – Universal Building Maintenance, a division of Universal Services of America and one of fastest growing all-green janitorial services companies in the U.S., is excited to announce that they have acquired Service Link Commercial, LLC in Phoenix, Arizona. Service Link Commercial has one of the best reputations in the janitorial industry within Arizona and is considered the premier provider of janitorial and cleaning services within the commercial office building marketplace.

“We are very excited about the acquisition of Service Link Commercial. Their management team is held in the highest regard and their culture is all about providing great customer service to their clients,” said Steve Jones, Co-CEO and Chief Operating Officer of Universal Services of America. “Because of this, we felt they were a perfect fit within our organization. This acquisition allows us to bring in some very talented people who already share our same culture, and will allow us to provide additional services to the Arizona marketplace that are unmatched by any of our competitors.”

“I’ve seen many competitors over the years that say they want to deliver quality service. Universal was the first one I truly believed meant it,” said Steve Iverson, President of Service Link Commercial, LLC. “We have worked very hard to earn our reputation in the Phoenix market and Universal was a perfect fit for our entire team. I look forward to seeing everyone benefit from this, both staff and clients.”

“Having known and respected Steve Iverson and his team at Service Link Commercial for many years, I am excited that we are all now on the same team,” said Mark Olivas, President of Universal Building Maintenance. “The combination of our two great companies will enable us to deliver a level of service that is truly unrivaled within the janitorial industry.”

Universal Building Maintenance is one of the fastest growing janitorial companies in the U.S. and a division of Universal Services of America, one of the largest facility services companies in the U.S. With over 10,000 employees, Universal Services of America has received numerous awards recognizing it as one of the best places to work and one of the fastest growing companies, while its management team has been honored with several distinguished awards recognizing their efforts. Universal Services of America looks forward to continuing to provide their clients with the best service solutions, personalized customer service and unmatched value available.
